Technique Water Colouring with Aqua Painter

Tutorial –

- 1 Dab a small amount of *Crumb Cake, Bermuda Bay & Balmy Blue Inks* onto *E – Window Sheet* so that colours are not touching
- 2 Adhere coloured *Watercolour Paper* to *B - Coastal Cabana* & then to *A – Base Card – Crumb Cake*
- 3 Ensuring your *Aqua Painter* is wet, pick up small amounts of *Coastal Cabana Ink* from *Window Sheet* & randomly colour *C – Watercolour Paper* until happy with depth of colour & coverage. Allow to dry
- 4 Stamp sentiment direct onto *Watercolour Paper* in *Stazon Jet Black*. *Stamparatus* is best here as it gives a nice clean crisp image – refer photo for placement
- 5 Die cut large circle from *D – Shimmery White* using *Layering Circles Dies*
- 6 SAND - Ensuring *Aqua Painter* is wet, pick up small amounts of *Crumb Cake* at a time & paint across bottom part of die cut circle. Continue until happy with depth of colour
- 7 WATER - Repeat *Step 2* with *Bermuda Bay* until happy with depth of colour
- 8 SKY - Repeat *Step 3* once again with *Balmy Blue* until happy with depth of colour
- 9 Allow to dry or dry with *Heat Tool*
- 10 Clean *Window Sheet* & put aside for later use
- 11 Ink the ripple image from *High Tide Stamp Set* in *Bermuda Bay Ink*
- 12 With *Tissue*, randomly remove parts of image, stamp off once onto scrap paper & then stamp over water. Repeat until water is covered
- 13 Repeat *above Step* but this time with *Balmy Blue Ink*
- 14 Ink grass image from same set in *Granny Apply Green* & randomly stamp images along sand
- 15 Adhere to *Card Front* with *Stampin’ Dimensionals*
- 16 Ink fisherman image in *Stazon Jet Black Ink* & stamp direct onto *F – scrap Whisper White*. Best to use *Stamparatus* here as you want a nice crisp black image
